**6. Reports**

**6.1. Representative Reports**

**Benicia USD** – Darrell Geliberte reported that Benicia High is going to be participating in the celebration of World's Down Syndrome Day on March 21, 2025. In preparation, the Functional Academics class has been recruiting other students to come tie-dye a pair of socks at lunchtime. Tomorrow, the students will all wear tie-dyed socks or mismatched socks.

Erin Biber reported that one of Benicia's behavior assistants has been doing training for the paraprofessionals on data collection for behavior plans. Tomorrow, they have a “Trauma Informed” training scheduled for all general education and special education elementary school teachers.

**Fairfield-Suisun USD** – Nicole Smith reported that FSUSD received high-quality applicants from their recent paraprofessional hiring fair. They have eight paraprofessional vacancies that are being filled with itinerants. FSUSD still has a few certificated vacancies that they will be prioritizing at their upcoming hiring fair. Their school psychologist hiring is going very well, with all present vacancies potentially being filled by recent applicants. The FSUSD Board directed the district to update the grade band for H. Glenn Richardson to K-8<sup>th</sup> grades. Current H. Glenn students in grades 9-12 will potentially be placed at a nonpublic school. FSUSD had contracted with a retired teacher to do SPED coaching with first and second-year special education teachers to help them learn the IEP process and the SEIS procedures. However, eighty-five percent of new teachers were able to perform those tasks with no assistance from

the SPED coaching. FSUSD is canceling the coaching program. Fairfield will also be hosting its annual Adapted PE Prom in May.

**Travis USD** – Kristie Ballard reported that construction continues at Golden West Middle School to accommodate the addition of the sixth-grade classrooms. Travis USD is currently in the hiring process. They are hiring resource program teachers, and they may need to fill special day class teacher positions at the elementary level. A reminder that their Special Olympics Track and Field event is at Vanden High on May 13, 2025.

**Vacaville USD** – Angel Hixson reported that Vacaville is working on relocating some programs due to facilities and programmatic needs. VUSD's human resources team is attending local and state hiring fairs. They have a new CAC board member, Sabrina Summerfield. Fairfield and Vacaville are working together on a Special Olympics bowling event. VUSD is also in the hiring process. Their human resources team is attending any local and state hiring fairs. Kerry Pilley-Purcell highlighted a local business, DuPratt Auto in Vacaville, which hired two special education students from Will C. Wood High School for a four-week auto-mechanic internship.

**Solano COE** – Pamela Brinkerhoff reported that SCOE is going to hiring fairs and colleges to fill different positions. SCOE had a meet and greet with Armijo High School, Fairfield High, and Vanden High to meet the adult students who will be coming into the adult programs next year. SCOE is piloting a nutritional program that would teach nutrition at their student's levels, talking about and introducing them to new foods. They also have four students preparing to return to district programs (two in Dixon and two in Fairfield). One of their students made the basketball team at K.I. Jones.

**Independent Child Advocate** – Dr. Amber Busay reported that she had four new referrals just this week. She has started receiving referrals from Kaiser Permanente. This month's highlighted business is Jaqueline Dinis Therapy. She is a Licensed Clinical Social Worker (LCSW) who specifically focuses on the mental health of neurodivergent children and teens. She is working on a website, but her Instagram is jd.therapy. SCOE has asked Dr. Busay to present at their Transitional Kindergarten (TK) Network on behaviors and the referral process for early learning for students going into Pre-K or TK.

**Northbay Regional Center** – Emily Koehler emailed Andrew Ownby her report. Andrew reported that there is a coffee & pastries event on March 27<sup>th</sup> from 10:30-12 pm at NBRC's Vacaville office to learn more about the Self-Determination Program. Yulahlia Hernandez, Attorney and Clients' Rights Advocate, from the Office of Clients' Rights Advocacy (OCRA) will also be in attendance. There's also a community info session about NBRC's purchase of services data on March 28<sup>th</sup>, from 10:30 to 12:30, via Zoom where they can discuss authorization, usage, and spending of services for the fiscal year 2023-24.

**6.2 Assistant Superintendent Report** – Andrew Ownby presented an update on the Solano County SELPA's latest developments. Andrew highlighted legislation related to special education, CDE compliance improvement monitoring and technical assistance support the SELPA provides its member districts, including professional learning activities.

# Self Determination Program

## SELF DETERMINATION FACT SHEET

**Determining and controlling the services  
you need to meet your goals!**

QUESTIONS: [SDP@NBRC.NET](mailto:SDP@NBRC.NET)

**What is the Self Determination Program (SDP)?** It is a voluntary program that allows individuals (or where appropriate, families) who are clients of regional centers to determine and control a personal budget to purchase services and supports to meet their needs and goals.

**Who can participate in this program?** Active Status 2 Lanterman Clients living at home or in the community.

**How does it work?** With your IPP Team, you develop a person-centered plan and a budget that says how you would spend the money to make your plan work.

**Will I get money from my Regional Center?** You would not get to hold the money yourself. NBRC would give the money to a Financial Management Service (FMS) which holds the money for you and pays the bills for services you purchase.

**What can I buy with my Self Determination budget?** You could choose to buy some of your current services, or you could choose to buy different services that meet your individual needs better.

**Who can I buy services from?** You can buy services and supports from any provider agency, community business, or individual that can help you meet your goals. You can hire and manage your own workers, if you want.

**What should I do if I am interested?** Tell your NBRC service coordinator. For additional information, contact the North Bay Office of the State Council on Developmental Disabilities at 707-648-4073 or [northbay@scdd.ca.gov](mailto:northbay@scdd.ca.gov)

Please refer to <https://scdd.ca.gov/sdp-orientation/> to attend an orientation.

## HOJA INFORMATIVA DE AUTO DETERMINACIÓN

### Determinando y controlando los servicios que necesita para alcanzar sus metas!

PREGUNTAS- [sdp@nbrc.net](mailto:sdp@nbrc.net)

**¿Qué es el Programa de Auto Determinación (SDP)?** Se trata de un programa voluntario que permite a los individuos (o en su caso, las familias) que son clientes de los centros regionales para determinar y controlar un presupuesto personal para adquirir servicios y apoyos para satisfacer sus necesidades y metas.

**¿Quién puede participar en este programa?** Clientes Lanterman en estado Activo 2 que viven en casa o en la comunidad.

**¿Cómo funciona?** Con su equipo de IPP, desarrollan un plan centrado en la persona y un presupuesto que dice cómo quiere usar el dinero para su plan de trabajo funcione.

**¿Voy a recibir dinero del Centro regional?** Usted no recibirá el dinero. NBRC daría el dinero a un Servicio de Administración Financiera (FMS), que tendrá el dinero por usted y paga las facturas por los servicios que usted compra.

**¿Qué puedo comprar con mi presupuesto de autodeterminación?**

Usted puede decidir en comprar algunos de sus servicios actuales, o puede decidir por comprar diferentes servicios que ayuden a sus necesidades individuales mejor.

**¿De quién puedo comprar los servicios?** Usted puede comprar servicios y apoyos de cualquier agencia proveedora, los negocios de la comunidad, o individuo que puede ayudarle a alcanzar sus metas. Usted puede contratar y manejar sus propios trabajadores, si lo desea.

**¿Qué debo hacer si estoy interesado/a?** Dígale a su coordinador de servicios de NBRC.
