Re: COLA and Rate Increase Request Application Window Open

Dear Bay Area Collaborative (BAC) Preferred Provider,

The purpose of this letter is to inform you that the application window for submitting a request for a Cost-of-Living Adjustment (COLA)¹ or rate increase is open from January 28, 2022, through February 11, 2022.

Please review the following information if you intend to apply for a rate increase.

1. All applications for an increase must be submitted with all required supporting documentation by close of business (5:00 PM), February 11, 2022, electronically to the Solano County SELPA office at mhurtado@solanocoe.net.

Late applications will not be considered!

2. If you are only applying for a COLA increase, the process is streamlined!
 - a. COLA only applicants need to submit the attached application electronically by the deadline. No other documentation is required!
 - b. The NPS/A COLA-only request will be granted in accordance with the Operating Guidelines of the BAC.
 - c. NPS/A requesting **COLA only** do **NOT** need to participate at the Rate Increase Panel Presentations!
3. To apply for a rate increase, your agency must timely submit a complete application AND attend the panel meetings:
 - a. The application packet **must include**:
 - i. A complete application.

¹ The approved COLA applicable to 2022-23 is 5.07%

Bay Area Collaborative

- ii. BAC Rate Document. Please note, the BAC is no longer accepting fee ranges. We recognize that specific skills and certifications warrant different fees (e.g., bilingual providers, where necessary).
- iii. Prior year actual expenditures, current year budget, the proposed budget for the 2022-23 school year, a budget narrative supporting your request which details the specific rationale for the requested increase.
- iv. A copy of your NPS/A's current California Department of Education (CDE) Certification.
- v. Any other supporting documents you feel will assist the panel members.

The documents mentioned above are attached and available on the BAC section of the Solano County SELPA website at www.solanocountyselpa.net/governance/bac.

b. Panel Meeting:

- i. The panel meetings will be held on **March 14, 2022**, via videoconference.
- ii. You **must ensure** individuals knowledgeable about the specific nature and rationale for the rate increase request **attend the Bay Area Collaborative Panel meeting** to address the panel.
- iii. Failure to present the request in person (via videoconference) at the panel meeting will result in the denial of the request.

Thank you for your continued membership in the Bay Area Collaborative!

Andrew M. Ownby,
BAC Chairperson
